

Devon Strafford Little League
2009 Tournament Baseball Season
Parents and Players-Letter of Commitment

Devon Strafford Little League is supporting PA District 27 and Little League International by fielding a number of Tournament Baseball Teams during the summer months. There is a level of both player and parent commitment that is expected throughout the tournament season. Players and Parents must acknowledge the following in order to be eligible to participate.

- Player is available for the duration of the Tournament Season as communicated by the Team Manager to participate in all Practices, Games and other team activities. Vacations and other activities that will preclude player from availability must be noted on this Letter of Commitment. Players are expected to prioritize the DSLL Tournament Teams above all other sports activities.
- Parent(s) will be responsible for the same level of commitment as outlined above and communicate all conflicts with the Team Manager as soon as they are identified.
- Parent(s) of Tournament Team players MUST be available to volunteer as requested to cover Hosting Requirements for Tournament Games that DSLL hosts during tournament play. It is noted that this support will require parents to attend tournament games that do not coincide with their player's games.
- There will be additional costs associated with participation in this program including but not limited to the Tournament Fee and Uniforms. Payment in full for the Tournament Fee and Uniforms upon ordering.
- Mandatory playing time is defined by Little League Baseball for all members of the Team Rosters. There is no further guarantee made regarding playing time, and all decisions made by the Team Managers are final.
